

Thank you for helping to create a place people love so they can experience a loving God in your home. Home Church is going to look different than when we are all together in person. But this does not mean that we cannot experience the presence of God together. Follow the guidelines below to help create an atmosphere of worship in your home.

Pre-Service:

- Grab your coffee and Bibles and gather together wherever you will be streaming the service. **Thank everyone** for joining you for Home Church.
- **Open with prayer** and thank God for the time you have been blessed with together and welcome His presence in your home.

Worship:

- We know that this may be an awkward time for some. But for us, it is a time to **praise God** for who He is and thank Him for all that He has done! He is worthy of all of our praise.
- Turn the volume up! You are the *thermostat* and **set the tone** of the environment.
- We all **worship** differently! Encourage those in your home to sing, hum, clap, close their eyes, or lift their hands.

During the Message:

- Pull up your **Realife app** and follow along. If you have not downloaded the app yet, find it here: <https://subsplash.com/realifechurch/app>
- **Interact** with Pastor Adam during the message. Say “*amen*” or “*preach!*” or “*that is good*” to encourage dialogue amongst your group.
- **Read** the scripture passages together in your Realife app.

After the Message:

- Pull up the **Discussion Questions** on the Realife app and discuss together how the message has impacted your life.
- **Close with prayer.** Thank God for the time you have had together and ask Him to help you slow down this week, and spend time in His presence.
- Before you leave, **find a date** that works for your group to have Home Church next week!
